Dirty Echoes
Faketown

Dirty Echoes is a power-pop band based out of Waco, Texas featuring Chris Ermoian (vocals/guitar), Casey Pittman (vocals/guitar), Jeremy Gautier (vocals/drums) and Beau Green (bass). Their music is full of diverse sounds reflecting personal stories, experiences and relationships that flourish in their skillful and dynamic live performance. These accomplished musicians have built a reputation for creating memorable songs and an energetic live show that immerses any audiences in their music.

In the fall of 2018, Dirty Echoes were playing a show in Austin and caught the ear of SteadyBoy Records President, power-pop enthusiast, Texas Music Hall of Famer Freddie Steady Krc. He was immediately impressed with their unique, smart, heartfelt, rockin' songs and sound. The team at SteadyBoy hopes to guide this band to great success and into your music players.
